UNDERSLAB WASTE LINE ROUGH-IN AT MS / HS LOCKER ROOMS.

YOU'RE INVITED!

On behalf of LISD, I would like to invite our neighbors to meet the general contractor that is working at the school. Your Lopez Island community school has started the renovation project and will be under construction for the next 15 months. We would like to provide our neighbors with an opportunity to meet the Superintendent from Faber Construction on **Thursday, July 14th at 6 PM** in the school's Multipurpose Room (MPR).
