

January 16, 2018

Here are some of the events going on:

Geography Bee

Grades 4-8 will compete in a Geography Bee on Wednesday, January 17. This will start at 8:45am in the MPR. A special thanks to Debbie Tetu, Lorri Swanson and Anthony Rovente for putting this event on and good luck to the participants.

Astronaut Piper Visit

We had to move back the originally scheduled assembly time from 1 to 2pm. We hope you can join the K-12 student body on Wednesday, January 17 at 2pm as we welcome Heide Stefanyshyn-Piper to Lopez Island. A big kudos to Sara Waugh for orchestrating this event and making it a reality.

Intensives

Intensives look promising this year with several new offerings such as Rock Climbing, Japanese Cooking, Outdoor Leadership and Fire it Up, where students will build a wood fired pizza oven. Intensives were started several years ago to coincide with the International trips. This year we have three trips, Quebec, Greece and Japan.

French Club Quiche Sales

The French Club will begin to take orders for quiches which will be distributed Saturday, January 27. The sales support the Club's trips to France and Quebec. The club will be traveling to Quebec this year.

Home Games

Basketball will have two home games this week:

Thursday with Shoreline
Girls 430
Boys 600

Friday with Tulalip
Girls 430
Boys 600

Saturday's game with Orcas has been canceled.

Thank you,

Dave Sather
