

Project Design Advisory Committee Revised Schedule

Wednesday February 18: Introductions, Project and Process Overview, Project Scope Considerations

Thursday March 12: 4:00 to 6:00 pm: Feedback from initial user groups and PDAT 'homework.'

Thursday March 26: 4:00 to 8:00 pm: Education Needs Specification Recap and Sustainability Workshop

WEDNESDAY April 15: 4:00 to 6:00 pm: Initial Design Concept Review

Thursday April 30: 4:00 to 6:00 pm: Reframed Design Concept Review

Thursday May 21: 4:00 to 6:00 pm: Final Schematic Design

Thursday June 4: 4:00 to 6:00 pm: Final Schematic Design (*follow-up meeting as needed*)

In addition, as has been discussed there is a possibility for a day of school tours at similar projects on the mainland. This is likely to occur in the late March, early April timeframe. As we get a better sense of our project scope we'll work to confirm a date as appropriate.
